This school year counts, and families can count on

**Family’s Voice + Being Informed = Successful IEP**

Here are 5 things you can COUNT on:

1. Even during the pandemic, IEPs must be implemented.
2. Parents are an essential part of all IEP decisions.
3. Families can request an IEP meeting at any time during the school year.
4. IEPs and other documents should be clearly understood before signing. Ask STEP for assistance if needed.
5. Student progress on goals must be recorded, reported, and discussed.

Please COUNT on STEP for help! Contact us at 423.639.0125 or information@tnstep.org.
